The Name of the Wind Jan 23 2023 Discover #1 New York Times-bestselling Patrick Rothfuss' epic fantasy series, *The Kingkiller Chronicle*. "I just love the world of Patrick Rothfuss." –Lin-Manuel Miranda • "He's bloody good, this Rothfuss guy." –George R. R. Martin • "Rothfuss has real talent." –Terry Brooks OVER 1 MILLION COPIES SOLD! DAY ONE: THE NAME OF THE WIND My name is Kvothe. I have stolen princesses back from sleeping barrow kings. I burned down the town of Trebon. I have spent the night with Felurian and left with both my sanity and my life. I was expelled from the University at a younger age than most people are allowed in. I tread paths by moonlight that others fear to speak of during day. I have talked to Gods, loved women, and written songs that make the minstrels weep. You may have heard of me. So begins a tale unequalled in fantasy literature—the story of a hero told in his own voice. It is a tale of sorrow, a tale of survival, a tale of one man's search for meaning in his universe, and how that search, and the indomitable will that drove it, gave birth to a legend. Praise for *The Kingkiller Chronicle*: "The best epic fantasy I read last year.... He's bloody good, this Rothfuss guy." –George R. R. Martin, *New York Times*–

bestselling author of A Song of Ice and Fire "Rothfuss has real talent, and his tale of Kvothe is deep and intricate and wondrous." –Terry Brooks, New York Times-bestselling author of Shannara "It is a rare and great pleasure to find a fantasist writing...with true music in the words." –Ursula K. Le Guin, award-winning author of Earthsea "The characters are real and the magic is true." –Robin Hobb, New York Times-bestselling author of Assassin's Apprentice "Masterful.... There is a beauty to Pat's writing that defies description." –Brandon Sanderson, New York Times-bestselling author of Mistborn

[The Name of this Book Is Secret](#) Feb 24 2023 Read the series that's sold more than 2 million copies--if you dare! Warning: this description has not been authorized by Pseudonymous Bosch. As much as he'd love to sing the praises of his book (he is very vain), he wouldn't want you to hear about his brave 11-year old heroes, Cass and Max-Ernest. Or about how a mysterious box of vials, the Symphony of Smells, sends them on the trail of a magician who has vanished under strange (and stinky) circumstances. And he certainly

wouldn't want you to know about the hair-raising adventures that follow and the nefarious villains they face. You see, not only is the name of this book secret, the story inside is, too. For it concerns a secret. A Big Secret.

My Name Is Chloe Sep 19 2022 Chloe, Josh Miller's younger sister, is a free spirit with funky clothes and dramatic hair. She struggles with her own identity, classmates, parents, boys, and -- her biggest question -- whether or not God is for real. But this unconventional high school freshman definitely doesn't hold back when she meets Him in a big, personal way. Refusing to change her image to fit into the "stereotypical Christian preppy mold," Chloe expresses God's love and grace through the girl band she forms, Redemption. In her development as a musician and performer, tender-hearted Chloe will learn tough lessons about following God, her heart, and her dreams.
