**Letters Across the Sea** Mar 13 2022 Inspired by a little-known chapter of World War II history, a young Protestant girl and her Jewish neighbour are caught up in the terrible wave of hate sweeping the globe on the eve of war in this powerful love story that’s perfect for fans of The Guernsey Literary and Potato Peel Pie Society. If you’re reading this letter, that means I’m dead. I had obviously hoped to see you again, to explain in person, but fate had other plans. 1933 At eighteen years old, Molly Ryan dreams of becoming a journalist, but instead she spends her days working any job she can to help her family through the Depression crippling her city. The one bright spot in her life is watching baseball with her best friend, Hannah Dreyfus, and sneaking glances at Hannah’s handsome older brother, Max. But as the summer unfolds, more and more of Hitler’s hateful ideas cross the sea and “Swastika Clubs” and “No Jews Allowed” signs spring up around Toronto, a city already simmering with mass unemployment, protests, and unrest. When tensions between the Irish and Jewish communities erupt in a riot one smouldering day in August, Molly and Max are caught in the middle, with devastating consequences for both their families. 1939 Six years later, the Depression has eased and Molly is a reporter at her local paper. But a new war is on the horizon, putting everyone she cares about most in peril. As letters trickle in from overseas, Molly is forced to confront what happened all those years ago, but is it too late to make things right? From the desperate streets of Toronto to the embattled shores of Hong Kong, Letters Across the Sea is a poignant novel about the enduring power of love to cross dangerous divides even in the darkest of times—from the #1 bestselling author of The Forgotten Home Child.

**Stuck with You** Dec 10 2021 From the New York Times bestselling author of The Love Hypothesis comes a new steamy, STEMInist novella... Nothing like a little rivalry between scientists to take love to the next level. Mara, Sadie, and Hannah are friends first, scientists always. Though their fields of study might take them to different corners of the world, they can all agree on this universal truth: when it comes to love and science, opposites attract and rivals make you burn... Logically, Sadie knows that civil engineers are supposed to build bridges. However, as a woman of STEM she also understands that variables can change, and when you are stuck for hours in a tiny New York elevator with the man who broke your heart, you earn the right to burn that brawny, blond bridge to the ground. Erik can apologize all he wants, but to quote her rebel leader—she’d just as soon kiss a Wookiee. Not even the most sophisticated of Sadie’s superstitious rituals could have predicted such a disastrous reunion. But while she refuses to acknowledge the siren call of Erik’s steely forearms or the way his voice softens when he offers her his sweater, Sadie can’t help but wonder if there might be more layers to her cold-hearted nemesis than meet the eye. Maybe, possibly, even burned bridges can still be crossed.... To read Mara and Hannah’s stories look for the novellas Under One Roof, available now, and Below Zero, coming soon from Berkley!

When a Hero escapes from his book and goes in search of his author, Claire must track and capture him with the help of former muse and current assistant Brevity and nervous demon courier Leto. But what should have been a simple retrieval goes horrifyingly wrong when the terrifyingly angelic Ramiel attacks them, convinced that they hold the Devil's Bible. The text of the Devil's Bible is a powerful weapon in the power struggle between Heaven and Hell, so it falls to the librarians to find a book with the power to reshape the boundaries between Heaven, Hell...and Earth.

In this provocative novel, the past isn’t always as far away as you think.” —The Skimm “[S]o beautifully written that I marked lines—for their perceptive genius—on nearly every page... This perfectly paced novel examines class structures and sexual identity and betrayals and tragedy in a way that had been both wanting to rip through the pages and wanting to savor each sentence until the extremely satisfying end.” —Elin Hilderbrand for Literati Can we ever really escape our pasts? The girls of St John the Divine, an elite English boarding school, were notorious for flipping their hair, harassing teachers, chasing boys, and chain-smoking cigarettes. They were fiercely loyal, sharp-tongued, and cuttlingly humorous in the way that only teenage girls can be. For Josephine, now in her thirties, the years at St John were a lifetime ago. She hasn’t spoken to another Divine in fifteen years, not since the day the school shuttered its doors in disgrace. Yet now Josephine inexplicably finds herself returning to her old stomping grounds. The visit provokes blurry recollections of those doomed final weeks that rocked the community. Ruminating on the past, Josephine becomes obsessed with her teenage identity and the forgotten girls of her one-time orbit. With each memory that resurfaces, she circles closer to the violent secret at the heart of the school’s scandal. But the more Josephine recalls, the further her life unravels, derailing not just her marriage and career, but her entire sense of self. Suspenseful, provocative, and compulsively readable, The Divines explores the tension between the lives we lead as adults and the experiences that form us, probing us to consider how our memories as adults compel us to reexamine our pasts.

**The Conductors** Oct 28 2020 “A seamless blending of magic, mystery, and history...Glover’s worldbuilding, characters, and attention to historical detail create a delightfully genre-bending debut!” —Tananarive Due, American Book Award winner, author of Ghost Summer: Stories From a bold new voice in speculative fiction comes a vibrant historical fantasy of magic and murder set in the aftermath of the Civil War. Hetty Rhodes and her husband, Benjy, were Conductors on the Underground Railroad, ferrying dozens of slaves to freedom with daring, cunning, and magic that draws its power from the constellations. With the war over, those skills find new purpose as they solve mysteries and murders that white authorities would otherwise ignore. But when an old friend is murdered, their investigation stirs up a wasp nest of intrigue, lies, and long-buried secrets- and a mystery unlike anything they handled before. With a clever, cold-blooded killer on the prowl testing their magic and placing their lives at risk, Hetty and Benjy will discover how little they really know about their neighbors . . . and themselves. “An unforgettable debut ...
