*In 1985, when Bhagwan Shree Rajneesh was expelled from the United States, he left behind a bizarre trail of devoted followers, illegal wiretaps and marriages, attempted murders, and 93 Rolls-Royces. Gordon follows that trail, exploring the strange happenings. Granata was a thousand miles from home when he received shocking news that his younger brother,*

*Tim, propelled by unchecked schizophrenia, had killed their mother in their childhood home. Devastated by the grief of losing his mother, Granata was also consumed by the act itself, so incomprehensible that it overshadows every happy memory of life growing up in a seemingly idyllic middle-class family. He decides to examine the disease that irrecoverably changed his family's destiny and piece together his brother's story. In the painstaking process of recovering the image of his remarkable mother and salvaging the love for his brother as Tim faces trial for their mother's murder, Granata provides a powerful and reaffirming portrait of loss and forgiveness. -- adapted from jacket*

*Traces the author's experiences of being relocated at the age of six to the commune of Indian guru Bhagwan Shree Rajneesh. **NEW YORK TIMES BESTSELLER***

- Heisman Trophy winner, multi-sport athlete, special needs advocate, and positive role model Tim Tebow encourages children to embrace their unique qualities in his first book for children, a winning tale based on his sweet pup, Bronco. Bronco received an invitation to a party, but he can't find the puzzle piece everyone is supposed to bring. During his search, he encounters a variety of friends with their own set of worries: a flightless bird, an allergic goat, and a clumsy bunny. The animals team up to find both Bronco's puzzle piece and the party, arriving to discover that the party is in their honor! This sweet story of animals with different challenges and abilities is core to Tim Tebow's message to fans and friends of any age who have special needs. Getting invited to*

*the party is exciting—but bringing your own particular gifts makes it more fun for everyone. Tim Tebow wants everyone to know that's how God sees them: special, unique, and essential to the party. A memoir of formative years spent on a series of communes: A “wonderful account of a frankly ghastly childhood . . . Hilarious and heartbreaking” (Daily Mail). At the age of six, Tim Guest was taken by his mother to a commune modeled on the teachings of the notorious Indian guru Bhagwan Shree Rajneesh. The Bhagwan preached an eclectic doctrine of Eastern mysticism, chaotic therapy, and sexual freedom, and enjoyed inhaling laughing gas, preaching from a dentist's chair, and collecting Rolls Royces. Tim and his mother were given Sanskrit names, dressed entirely in orange, and encouraged to surrender themselves into their new family. While his mother worked tirelessly for the cause, Tim—or Yogesh, as he was now called—lived a life of well-meaning but woefully misguided neglect in various communes in England, Oregon, India, and Germany. In 1985 the movement collapsed amid allegations of mass poisonings, attempted murder, and tax evasion, and Yogesh was once again Tim. In this extraordinary memoir, Tim Guest chronicles the heartbreaking experience of being left alone on earth while his mother hunted heaven. “An intelligent, wry, openhearted memoir of surviving a childhood and a cultural phenomenon that were both extraordinary.” —Booklist (starred review) Sutter's the guy you want at your party. Aimee's not. She needs help and it's up to Sutter to show Aimee a*

*splendiferous time and then let her go forth and prosper. But Aimee's not like other girls and before long he's over his head. For the first time in his life he has the power to make a difference in someone else's life - or ruin it forever. A Korean-American recounts her fourteen years of abuse at the hands of her husband, the drug-addicted eldest son of the Reverend Sun Myung Moon, and reveals the corruption behind the religious facade of Moon's organization. 50,000 first printing. Tour. "Russell King has written the most definitive account of this grand American saga. Rajneeshpuram is rich storytelling."*

*—Chapman and Maclain Way, directors of Wild Wild Country*  
*In 1981, ambitious young Ma Anand Sheela transported the Indian guru Bhagwan Shree Rajneesh to the United States to fulfill his dream of creating a utopia for his thousands of disciples. Four years later, the incendiary Rajneeshpuram commune in Oregon collapsed under the weight of audacious criminal conspiracies hatched in its inner sanctum, including the largest bioterrorism attack in US history, an unprecedented election fraud scheme, and multiple attempted murders. Rajneeshpuram explores how this extraordinary spiritual community, featured in the Netflix docuseries Wild Wild Country, went so wrong. Drawing from extensive interviews with former disciples and an exhaustive review of commune records, government and police files, and archival materials, author Russell King probes the charismatic power that Bhagwan (later known as Osho) and Sheela exercised over the community and the turbulent legal and political*

*environment that left commune leaders ready to deceive, poison, and even murder to preserve their home and their master. Rajneeshpuram is a fresh examination of the Rajneesh story, using newly available information and interviews with high-ranking disciples who have never before shared their stories. This is the most popular book of Osho. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY San Francisco Chronicle • Newsweek/The Daily Beast • The Seattle Times • The Economist • Kansas City Star • BookPage On February 14, 1989, Valentine's Day, Salman Rushdie was telephoned by a BBC journalist and told that he had been "sentenced to death" by the Ayatollah Khomeini. For the first time he heard the word fatwa. His crime? To have written a novel called The Satanic Verses, which was accused of being "against Islam, the Prophet and the Quran." So begins the extraordinary story of how a writer was forced underground, moving from house to house, with the constant presence of an armed police protection team. He was asked to choose an alias that the police could call him by. He thought of writers he loved and combinations of their names; then it came to him: Conrad and Chekhov—Joseph Anton. How do a writer and his family live with the threat of murder for more than nine years? How does he go on working? How does he fall in and out of love? How does despair shape his thoughts and actions, how and why does he stumble, how does he learn to fight back? In this remarkable memoir Rushdie tells that story for the first time; the story of one of the crucial battles, in our time, for freedom*

*of speech. He talks about the sometimes grim, sometimes comic realities of living with armed policemen, and of the close bonds he formed with his protectors; of his struggle for support and understanding from governments, intelligence chiefs, publishers, journalists, and fellow writers; and of how he regained his freedom. It is a book of exceptional frankness and honesty, compelling, provocative, moving, and of vital importance. Because what happened to Salman Rushdie was the first act of a drama that is still unfolding somewhere in the world every day. Praise for Joseph Anton “A harrowing, deeply felt and revealing document: an autobiographical mirror of the big, philosophical preoccupations that have animated Mr. Rushdie’s work throughout his career.”—Michiko Kakutani, The New York Times “A splendid book, the finest . . . memoir to cross my desk in many a year.”—Jonathan Yardley, The Washington Post “Thoughtful and astute . . . an important book.”—USA Today “Compelling, affecting . . . demonstrates Mr. Rushdie’s ability as a stylist and storyteller. . . . [He] reacted with great bravery and even heroism.”—The Wall Street Journal “Gripping, moving and entertaining . . . nothing like it has ever been written.”—The Independent (UK) “A thriller, an epic, a political essay, a love story, an ode to liberty.”—Le Point (France) “Action-packed . . . in a literary class by itself . . . Like Isherwood, Rushdie’s eye is a camera lens —firmly placed in one perspective and never out of focus.”—Los Angeles Review of Books “Unflinchingly honest . . . an engrossing, exciting, revealing and often*

*shocking book.*”—*de Volkskrant (The Netherlands)* “One of the best memoirs you may ever read.”—*DNA (India)*

*“Extraordinary . . . Joseph Anton beautifully modulates between . . . moments of accidental hilarity, and the higher purpose Rushdie saw in opposing—at all costs—any curtailment on a writer’s freedom.”—The Boston Globe*

*The real-life Alex Vause from the critically acclaimed, top-rated Netflix show Orange Is the New Black tells her story in her own words for the first time—a powerful, surprising memoir about crime and punishment, friendship and marriage, and a life caught in the ruinous drug trade and beyond. Fans nationwide have fallen in love with Orange Is the New Black, the critically acclaimed and wildly popular Netflix show based on Piper Kerman’s sensational #1 New York Times bestseller. Now, Catherine Cleary Wolters—the inspiration for Alex Vause, Piper’s ex-girlfriend, friend, and sometimes-romantic partner on the show—tells her true story, offering details and insights that fill in the blanks, set the record straight, and answer common fan questions. An insightful, frustrating, heartbreaking, and uplifting analysis of crime and punishment in our times, Out of Orange is an intimate look at international drug crime—a seemingly glamorous lifestyle that dazzles unsuspecting young women and eventually leads them to the seedy world of prison. Told by a woman originally thrust into the spotlight without her permission—Wolters learned about Piper’s memoir in the media—Out of Orange chronicles Wolter’s time in the drug trade, her incarceration, her friendships and acquaintances*

*with odd cellmates, her two marriages, and her complicated relationship with Piper. But Wolters is not solely defined by her past; she also reflects on her life and the person she is today. Filled with colorful characters, fascinating tales, painful sobering lessons, and hard-earned wisdom, Out of Orange is sure to be provocative, entertaining, and ultimately inspiring. "The Gospel story for kids" -- p. 4 of cover. A New Yorker and Fortune Best Book of the Year "A must-read for all Americans who want to remain the ones deciding what they can read, watch, and listen to." —Arianna Huffington*

*Analyzing the strategic maneuvers of today's great information powers—Apple, Google, and an eerily resurgent AT&T—Tim Wu uncovers a time-honored pattern in which invention begets industry and industry begets empire. It is easy to forget that every development in the history of the American information industry—from the telephone to radio to film—once existed in an open and chaotic marketplace inhabited by entrepreneurs and utopians, just as the Internet does today. Each of these, however, grew to be dominated by a monopolist or cartel. In this pathbreaking book, Tim Wu asks: will the Internet follow the same fate? Could the Web—the entire flow of American information—come to be ruled by a corporate leviathan in possession of "the master switch"? Here, Tim Wu shows how a battle royale for the Internet's future is brewing, and this is one war we dare not tune out. It's rural England, just after the turn of the last century. Charlotte married Edward Shift after the sudden death of her first husband,*

*Horace Torrington. They live at Sterne, the home they are in danger of losing due to a financial crisis, with Charlotte's 3 children: Emerald, Clovis and Smudge. On the day of Emerald's birthday party, a terrible train wreck occurs on a branch line and the stranded passengers seek refuge at Sterne. Among these passengers is Charlie Traversham-Beechers, a sketchy figure from Charlotte's past. This unusual guest list makes for an unforgettable birthday celebration for Emerald and an evening of the past literally coming back to haunt Charlotte. July Fourth: New York City Hundreds of thousands line the banks of the East and Hudson Rivers awaiting the nation's largest fireworks display. Soon the sky will explode in cascading showers of silver and gold. Everywhere, faces will turn skyward in wide-eyed wonder. Then the sky will grow dark again—but it will not be empty. The air will be filled with clouds of smoke and specks of debris will rain down everywhere. Some will pick bits of paper from their children's hair. Some will brush away still-burning sparks or embers. And some will absentmindedly scratch at the tiny, biting specks that dot their necks and arms. Will the beginning of the show mark the beginning of the end? That's what FBI agent Nathan Donovan must decide. When he is forced to enlist the help of ex-wife Macy Monroe, and expert in the psychology of terrorism, the fireworks really begin—but she may be the only one who can help him stop the Plague maker in time. "Plague Maker is a novel that can proudly be shelved beside any [book] featuring Crichton or Clancy and hold its own."*

—[www.infuzemag.com](http://www.infuzemag.com) We've always dreamed of perfect places: Eden, heaven, Utopia. Imagine gambling without loss, love without heartbreak, sex without exposure, experience without risk. Welcome to the fascinating world of online virtual reality, the land of invented places and populations that is entered and inhabited every week by nearly fifty million people worldwide. Each participant creates a virtual body, works at virtual jobs, and makes virtual friends and family. In *Second Lives*, Tim Guest, an internationally acclaimed young journalist, takes us on a revelatory journey through the electronic looking glass as he investigates one of the most bizarre phenomena of the twenty-first century. From *Second Life* to *EverQuest* and beyond, here are the computer-generated environments and characters that can easily become more engrossing and fulfilling than earthly existence. With the click of a mouse you can select eye color, face shape, height—you can even give yourself wings. Your character, or avatar, can build houses, make and sell works of art, earn money, get married and divorced. In this fascinating and groundbreaking book, Guest meets people who found meaningful love and friendship despite never having met in person, catches up with the companies that have used virtual worlds to make big money, investigates the U.S. military's massive online global model that trains soldiers to fight anyone anywhere, and travels all the way to gaming-crazed Korea to get a taste for just how big this phenomenon really is. At first glance, these new computer-generated places seem

*free from trouble and sorrow. But Guest examines the dark side of this technology too, including the online criminals who plague imaginary worlds, from cyber mafiosos and prostitutes to real hackers and terrorists. It seems that one cannot escape greed, corruption, and human weakness—even inside a computer screen. Are these virtual worlds a way to enhance life or to escape it? Guest explores this question personally as he lets himself be transported into myriad parallel universes. By turns provocative, inspiring, and disturbing, *Second Lives* is a crucial book for this millennium. After all, real life is so twentieth century. Advance praise for *Second Lives* “Tim Guest is a young writer with the literary goods. *My Life in Orange*, his hit memoir of growing up in a commune, looked at his past; his riveting new book, *Second Lives*, looks at our future: the world of virtual reality and the spellbound people who inhabit it. The book is some kind of revelation—by turns compelling, chilling, and illuminating. Curious, intelligent, offbeat, and artful, Guest is at the beginning of a big career.”*

—John Lahr, senior drama critic, *The New Yorker*, author of *Prick Up Your Ears: The Biography of Joe Orton* Praise from England for *Second Lives* “An anthropological adventure but also Guest’s personal voyage . . . a fascinating portrait of rainbow landscapes and their inhabitants.” —*Time Out London*

“Rich and colourful . . . an important mapping of a new social frontier.” —*The Guardian* “Remarkably timely.” —*The Sunday Telegraph* “Astonishing.” —*The Sunday Times* **PULITZER PRIZE FINALIST NATIONAL BOOK AWARD FINALIST A**

page turner . . . An absorbing and emotionally riveting story  
about what it’s like to live during times of crisis.” —The New  
York Times Book Review A dazzling novel of friendship and  
redemption in the face of tragedy and loss set in 1980s  
Chicago and contemporary Paris In 1985, Yale Tishman, the  
development director for an art gallery in Chicago, is about to  
pull off an amazing coup, bringing in an extraordinary  
collection of 1920s paintings as a gift to the gallery. Yet as his  
career begins to flourish, the carnage of the AIDS epidemic  
grows around him. One by one, his friends are dying and after  
his friend Nico’s funeral, the virus circles closer and closer to  
Yale himself. Soon the only person he has left is Fiona, Nico’s  
little sister. Thirty years later, Fiona is in Paris tracking down  
her estranged daughter who disappeared into a cult. While  
staying with an old friend, a famous photographer who  
documented the Chicago crisis, she finds herself finally  
grappling with the devastating ways AIDS affected her life and  
her relationship with her daughter. The two intertwining  
stories take us through the heartbreak of the eighties and the  
chaos of the modern world, as both Yale and Fiona struggle to  
find goodness in the midst of disaster. Named a Best Book of

Post, NPR, San Francisco Chronicle, The Boston Globe,*

*Entertainment Weekly, BuzzFeed, The Seattle Times, Bustle, Newsday, AM New York, BookPage, St. Louis Post-Dispatch, Lit Hub, Publishers Weekly, Kirkus Reviews, New York Public Library and Chicago Public Library Equally moving and disturbing, this book chronicles the rise and fall of the religion Rajneeshism and the Rolls Royce guru, and Jane's part in the events that led to its collapse. When Lily Dunn was just six years old, her father left the family home to follow his guru to India, trading domestic life for clothes dyed in oranges and reds and the promise of enlightenment with the cult of Bhagwan Shree Rajneesh. Since then he has been a mystery to her. She grew up enthralled by the image of him; effervescent, ambitious and elusive, a writer, publisher and entrepreneur, a man who would appear with gifts from faraway places, and with whom she spent the long, hot summers of her teenage years in Italy, in the company of his wild and wealthy friends. Yet he was also a compulsive liar, a delinquent, a man who abandoned his responsibilities in a pursuit of transcendence that took him from sex addiction, via the Rajneesh cult, to a relentless chase of money, which ended in ruin and finally addiction to alcohol and prescription drugs. A detective story that charts two colliding narratives, Sins of My Father is a daughter's attempt to unravel the mysteries of a father who believed himself to be beyond reproach. A dazzling work of literary memoir, it asks how deep legacies of shame and trauma run, and if we can reconcile unconditional love with irreparable damage. The Bhagwan Shree Rajneesh and*

*his followers were involved in nefarious activities including prostitution, drug smuggling, sexual abuse of children, and murder conspiracy. The Rajneesh Chronicles explains this behavior--and why the cult that committed the first act of bioterrorism in the U.S. was trying to cultivate a live AIDS virus. Bhagwan Shree Rajneesh, widely known as the "sex guru," fled India in 1981 and came to settle on a ranch in central Oregon, where he and his followers established the illegal city of Rajneeshpuram. In their effort to preserve the city, the Rajneeshees attempted during the 1984 election to take control of the Wasco County government by poisoning two county commissioners and over 700 potential voters in The Dalles, the county seat, with salmonella—the first act of bio-terrorism in U.S. history. Armed to the teeth with semiautomatic weapons, they threatened to defend the city to the death against any governmental intrusion, and hatched a plot to assassinate a U.S attorney. When the commune finally imploded and authorities arrived on the scene, they discovered that the Rajneesh nurse who had cultivated salmonella bacteria in the commune's biological warfare laboratory was also trying to cultivate a live AIDS virus—which deranged group leaders clearly hoped to unleash on the rest on the world. The Rajneesh Chronicles is a collection of in-depth investigative and analytical articles published in Oregon Magazine covering the entire period from the time of the cult's arrival in Oregon in mid-1981 to its dramatic disintegration at the end of 1985 (with an introductory*

chronology that extends the story up to the present). While most press treated the cult's antics as a humorous sideshow typified by the Bhagwan's dozens of Rolls-Royces, editor in chief Win McCormack and other of the magazine's writers systematically exposed the full range of the Rajneeshees' depraved behavior, including their involvement in prostitution and international drug smuggling, sexual exploitation of children, abuse of homeless people they imported into Rajneeshpuram to register as voters, and the use of brainwashing techniques bordering on torture. The tale of the Rajneesh has become an amorphous legend few inside or outside of Oregon actually understand. *The Rajneesh Chronicles* fully illuminates the shocking reality behind that legend. Now on Broadway as second understudy for E.T., Nate Foster keeps in close contact with his best friend, Libby, as he faces his nemesis, Jordan Rylance, and his own insecurities as the cast member with the least training and experience. A triumphant tale of a young woman and her difficult childhood, *The Glass Castle* is a remarkable memoir of resilience, redemption, and a revelatory look into a family at once deeply dysfunctional and wonderfully vibrant. Jeannette Walls was the second of four children raised by anti-institutional parents in a household of extremes. Offers techniques and strategies for increasing income while cutting work time in half, and includes advice for leading a more fulfilling life. *Cocktail Hour Under the Tree of Forgetfulness* tells the story of the author's mother, Nicola Fuller. Nicola Fuller and her husband

were a glamorous and optimistic couple and East Africa lay before them with the promise of all its perfect light, even as the British Empire in which they both believed waned. They had everything, including two golden children - a girl and a boy. However, life became increasingly difficult and they moved to Rhodesia to work as farm managers. The previous farm manager had committed suicide. His ghost appeared at the foot of their bed and seemed to be trying to warn them of something. Shortly after this, one of their golden children died. Africa was no longer the playground of Nicola's childhood. They returned to England where the author was born before they returned to Rhodesia and to the civil war. The last part of the book sees the Fullers in their old age on a banana and fish farm in the Zambezi Valley. They had built their ramshackle dining room under the Tree of Forgetfulness. In local custom, this tree is the meeting place for villagers determined to resolve disputes. It is in the spirit of this Forgetfulness that Nicola finally forgot - but did not forgive - all her enemies including her daughter and the Apostle, a squatter who has taken up in her bananas with his seven wives and forty-nine children. Funny, tragic, terrifying, exotic and utterly unself-conscious, this is a story of survival and madness, love and war, passion and compassion. NATIONAL BESTSELLER • PEN/HEMINGWAY AWARD WINNER • One of The New York Times 10 Best Books of the Year • A wondrous and shattering novel that follows twelve characters from Native communities: all traveling to the Big Oakland Powwow, all connected to one

*another in ways they may not yet realize. Among them is Jacquie Red Feather, newly sober and trying to make it back to the family she left behind. Dene Oxendene, pulling his life together after his uncle's death and working at the powwow to honor his memory. Fourteen-year-old Orvil, coming to perform traditional dance for the very first time. Together, this chorus of voices tells of the plight of the urban Native American—grappling with a complex and painful history, with an inheritance of beauty and spirituality, with communion and sacrifice and heroism. Hailed as an instant classic, There There is at once poignant and unflinching, utterly contemporary and truly unforgettable. The definitive biography of Edward Gorey, the eccentric master of macabre nonsense. From The Gashlycrumb Tinies to The Doubtful Guest, Edward Gorey's wickedly funny and deliciously sinister little books have influenced our culture in innumerable ways, from the works of Tim Burton and Neil Gaiman to Lemony Snicket. Some even call him the Grandfather of Goth. But who was this man, who lived with over twenty thousand books and six cats, who roomed with Frank O'Hara at Harvard, and was known--in the late 1940s, no less--to traipse around in full-length fur coats, clanking bracelets, and an Edwardian beard? An eccentric, a gregarious recluse, an enigmatic auteur of whimsically morbid masterpieces, yes--but who was the real Edward Gorey behind the Oscar Wildean pose? He published over a hundred books and illustrated works by Samuel Beckett, T.S. Eliot, Edward Lear, John Updike, Charles*

*Dickens, Hilaire Belloc, Muriel Spark, Bram Stoker, Gilbert & Sullivan, and others. At the same time, he was a deeply complicated and conflicted individual, a man whose art reflected his obsessions with the disquieting and the darkly hilarious. Based on newly uncovered correspondence and interviews with personalities as diverse as John Ashbery, Donald Hall, Lemony Snicket, Neil Gaiman, and Anna Sui, BORN TO BE POSTHUMOUS draws back the curtain on the eccentric genius and mysterious life of Edward Gorey. Six-time Emmy Award-winning funny man Tim Conway, best known for his roles on The Carol Burnett Show, offers a straight-shooting and hilarious memoir about his life on stage and off as an actor and comedian. In the annals of TV history, few entertainers have captured as many hearts, tickled as many funny bones, and brought as many families together in living rooms across America as Tim Conway. In What's So Funny? he brings his hilarious hijinks from the screen to the page. Conway's often-improvised humor, razor-sharp timing, and hilarious characters have made him one of the funniest and most authentic performers to grace the stage and studio. As Carol Burnett has said, "there's no one funnier" than Tim Conway. Now, Conway takes us on a seventy-year, rags-to-riches journey that is touchingly comical and ultimately inspiring, from his pranks in small Ohio classrooms during the Great Depression to his pitch-perfect performances on national TV and in major motion pictures. Along the way, Conway shares hilarious and often moving accounts of the*

glory days of *The Carol Burnett Show*; his famous partnerships with entertainment greats like Harvey Korman, Don Knotts, and Dick Van Dyke; and his friendships with stars like Betty White, Bob Newhart, and, of course, Carol Burnett, who also provides an intimate foreword to the book. As Conway continues to tour the country giving live comedy performances that enchant his always eager audiences, *What's So Funny?* brings his warmth, humor, and heart to delight and inspire fans everywhere. An Italian travelogue describes the trains that traverse the country, from the architecture of old train stations to the new high-speed railways, and portrays the author's memorable encounters along the way. Being a tale--perhaps an allegory--of deceptive simplicity, with universal meaning for all civilized men and women, Gorey's "*The Doubtful Guest*" is republished here in a deluxe hardcover edition at an eerily low price. New York Times bestseller *What is Jesus worth to you?* It's easy for American Christians to forget how Jesus said his followers would actually live, what their new lifestyle would actually look like. They would, he said, leave behind security, money, convenience, even family for him. They would abandon everything for the gospel. They would take up their crosses daily... But who do you know who lives like that? Do you? In *Radical*, David Platt challenges you to consider with an open heart how we have manipulated the gospel to fit our cultural preferences. He shows what Jesus actually said about being his disciple--then invites you to believe and obey what you

have heard. And he tells the dramatic story of what is happening as a "successful" suburban church decides to get serious about the gospel according to Jesus. Finally, he urges you to join in *The Radical Experiment* -- a one-year journey in authentic discipleship that will transform how you live in a world that desperately needs the Good News Jesus came to bring. An eighth-grader who dreams of performing in a Broadway musical concocts a plan to run away to New York and audition for the role of Elliot in the musical version of "E.T." A fun-filled, action-packed middle grade novel about a boy who learns about protecting the environment, finding real friends, and living in the now while spending the summer on a remote island. Sometimes it's hard to be Milton P. Greene. He says all the wrong things, his family is falling apart, and everyone at school avoids him because of the very embarrassing *Bird Brain Incident*. But when Milton plays his video game *Isle of Wild*, he becomes someone else—Sea Hawk, the brave and brilliant naturalist explorer who conquers danger at every turn. Then Milton's parents ship him off to the remote Lone Island for the summer, where his uncle Evan is an environmentalist researcher. The island is chock-full of spectacular species, and Milton realizes this is his chance to become the brave and brilliant naturalist he's always wanted to be—and even meet some fellow explorers! But as it turns out, the future of the Lone Island is in some pretty serious peril, and the only thing that can save it is a field guide full of cryptic clues. If Milton and his unexpected new friends are

going to protect the island, they'll have to trust each other, discover new truths, and embark on a wild and wondrous adventure all their own. *The Adventure is Now* is a dazzling, fun-filled story from Jess Redman. "Fitness, money, and wisdom--here are the tools. Over the last two years ... Tim Ferriss has collected the routines and tools of world-class performers around the globe. Now, the distilled notebook of tips and tricks that helped him double his income, flexibility, happiness, and more is available as *Tools of Titans*"--Page 4 of cover. *How to build a financial plan that really blends into your life* The latest volume in the bestselling *Ultimate* series, Jim Stovall and Tim Maurer's *The Ultimate Financial Plan: Balancing Your Money and Life* is a one-stop, comprehensive, personal financial planning book exploring the intersection of money and life. *The Ultimate Financial Plan* examines the connection between actions, thoughts, and feelings when it comes to all things financial. The key to getting the most out of your wealth, the authors argue, is certainly found in the wise utilization of tools, like budgets, bank accounts, 401(k)s, IRAs, Roth IRAs, education savings plans, and real estate, as well as home, auto, business, health, disability, and long term care insurance, but even more so in the contentment found in balancing money's influence in our lives with personal values and goals. An insider's look into the recently humbled "Big 3"—the banks, brokerage firms, and insurance companies—and the inner workings that often set their proprietary goals and objectives above all A critical examination of the role of

*various financial sales people, advisors, planners, and consultants A guide to navigating Economic Bias—a conflict of interest involving money—and how it affects every financial decision we make The Ultimate Financial Plan is the application of the resources at your disposal for the purpose of living your life to the fullest, and this book will show you the quickest route to getting started on the path to ultimate success. Everyone has kisses for Baby, from Mami and Papi to perro and gato. Using simple Spanish words, this charming read-aloud proves that love is the same in every language!
