The collection of articles presented in this volume addresses a number of general theoretical, methodological and empirical issues in the field of Historical Linguistics, in different levels of analysis and on different themes: (i) phonology, (ii) morphology, (iii) morphosyntax, (iv) syntax, (v) diachronic typology, (vi) semantics and pragmatics, and (vii) language contact, variation and diffusion. The topics discussed, often in a comparative perspective, feature a variety of languages and language families and cover a wide range of research areas. Novel analyses and often new diachronic data — also from less known and under-investigated languages — are provided to the debate on the principles, mechanisms, paths and models of language change as well as the relationship between synchronic variation and diachrony. The volume is of interest to scholars of different persuasions working on all aspects of language change. WINNER OF THE JEWISH QUARTERLY WINGATE PRIZE 10 WOMEN TO WATCH IN 2017--BookPage A New York Times Notable Book of 2017 After one night's deadly mistake, a man will go to any lengths to save his family and his reputation. Neurosurgeon Eitan Green has the perfect life--married to a beautiful police officer and father of two young boys. Then, speeding along a deserted moonlit road after an exhausting hospital shift, he hits someone. Seeing that the man, an African migrant, is beyond help, he flees the scene. When the victim's wife knocks at Eitan's door the next day, holding his wallet and divulging that she knows what happened, Eitan discovers that her price for silence is not money. It is something else entirely, something that will shake Eitan's safe existence and take him into a world of secrets and lies he could never have anticipated. WINGATE LIONS is a gripping, suspenseful, and morally devastating drama of guilt and survival, shame and desire by a remarkable young author on the rise. raccoglie il lavoro di giovani ricercatori guidati da Anna Dolfi («GREM» «NGEM») che si sono occupati di 17.000 pezzi epistolari del Fondo Macri, si offre uno straordinario strumento di lavoro a chi si interessa di Ermetismo, di critica e poesia del Novecento italiano. Ombre dal fondo o 'luci intermittenti' che siano, i bagliori mandati dagli epistolari sono segni della genesi umana della cultura, visto che conservano tracce di quanto è legato al quotidiano che contribuisce alla costruzione della 'grande' storia e della progettualità intellettuale e politica che l'accompagna. Ecco allora che letture, libri, riviste, collaborazioni, amicizie, risentimenti, viaggi, passioni letterarie e private emergono da questi regesti, a dare voce a un'epoca e ai suoi protagonisti.

A fast-paced mystery where Murder on the Orient Express meets the Tour de France—so many cyclists are being killed off one by one. There are cyclists willing to die to win a single stage of the Tour, taking descents at more than 90 kilometers per hour, but now I know there are cyclists willing to kill to win. Moreau, a professional cyclist with a military past, is part of a top Tour de France team led by his best friend, an American star favored to win this year's Tour. But the competition takes a dark turn when racers begin to drop out in a series of violent accidents: a mugging that ends in an ankle being crushed, a nasty bout of poisoning, and a crash caused by two spectators standing where they shouldn't. The teams and their entourages retreat into paranoid lockdown even as they must continue racing each day. The mountains grow steeper and the accidents turn deadlier: a suspicious suicide, an exploded trailer, a loose wheel at the edge of a cliff. Marc agrees to help the French police with their investigations from the inside and becomes convinced that the culprit is a cyclist who wants to win at any cost. But as the victim count rises, the number of potential murderers—and potential champions—dwindles. Marc begins to have the sickening realization that his own team has been most favored by the murderer's actions, and in the final stages of the race Mark emerges as the only cyclist left who could possibly beat his best friend and win the Tour. Whom can he trust? Whom should he protect? What decision will he make if he's asked to choose between justice, loyalty, and glory? Praise for *The Black Jersey* "Men, mountains, machines, speed, greed, and murder . . . Making a tour de force of the Tour de France, Jorge Zepeda Patterson does for cycling what Dick Francis did for horse racing. Warning! Strap on your helmets! This is no tale for wimps."—Alan Bradley, author of the *Flavia de Luce* series "The world of competitive cycling is stressful enough without adding suspicious accidents to the mixture. But that is exactly what happens in this thrilling and intrigue-filled novel. *The Black Jersey* has the pace and excitement of a world-class race."—Alexander McCall Smith, author of the *No. 1 Ladies' Detective Agency* series "The *Black Jersey* is a joy from start to hair-raising finish line, even for someone like me who prefers a good meal to any kind of competitive sport. Bravo!"—M. L. Longworth, author of the *Provence Mysteries* series
