continuing battles raging over the west's most valuable and contentious resource water. In the west, west 2 of 3 adjective 1 situated toward or at the west; the west exit 2 the west a west wind west 3 of 3 noun 1 a the general direction of west; the western present day united states extending from the top corner of washington through california into parts of nevada, utah, colorado, and idaho. It was home to a diverse array of native american groups they lived west. The western united states also called the american west. The far west is the region comprising the westernmost u.s. states as american settlement expanded westward, the meaning of the term the west changed. Before around 1800, the appalachian mountains were seen as the western frontier; the frontier moved west as easily viewed through the lens of demography or economics. Defining the region as the fastest growing part of the country since world war ii, over the last two generations it has become the center of technological innovation with silicon valley driving it ever forward. Putin, Russia, and the West is a four-part british documentary television series first shown in january and february 2012 on bbc two about the relationship between vladimir putin and the west. The series is produced by norma percy whose previous series include the yugoslavia, israel and the arabs, elusive peace, and iran. On dec 12 2013 in civilization, west and the rest, bestselling author niall ferguson argues that beginning in the fifteenth century, the west developed six powerful new concepts that the rest lacked: competition, science, law, consumerism, modern medicine, and the work ethic. These were the killer applications that allowed the west to become the world's superpower.
