*This comprehensive and thoroughly revised text, now in its fifth edition, continues to give a clear analysis of the principles and practices of corporate governance prevalent in India as well as in other industrialized countries of the world.*

*The book has been revised as per the amendments in the Companies Act and Rules between 2015 and 2019, and also, includes SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2019. The book begins with an introduction to corporate governance, and then moves onto the evaluation of corporate governance system. It provides a detailed description of the principles, philosophy, structure and the process of corporate governance. The text also contains a case study of selected listed large-cap companies under BSE Sensex and NSE Nifty on their corporate governance practices in India for the financial year 2015–2016. Besides, it also provides recommendations of various national and international committees on corporate governance reforms. Primarily intended for the students of management, law and commerce, the book can also be used by professionals, regulatory authorities and policy-makers. NEW TO THE FIFTH EDITION • Includes several revisions and updates on corporate governance system and legal requirements enforced by the new Company Laws and SEBI Listing guidelines. • Live case studies in various chapters. • Chapter-end review questions to 'Test Your Knowledge'. • Accompanying website*

containing well-designed objective type questions for practice—MCQs, T/F and Fill in the Blanks. Visit our Learning Centre. Click [https://www.phindia.com/corporate\\_governance\\_india\\_by\\_das](https://www.phindia.com/corporate_governance_india_by_das). • Glossary appended at the end of the book. **KEY FEATURES** • Provides an explorative and evaluative study on the standards and practices of corporate governance in India. • Outlines a road map for companies operating in India to achieve international standards of corporate governance. • Includes figures and tables for clear understanding of the concepts. **TARGET AUDIENCE** • M.Com. • MBA • LLB *Directory of Corporate Counsel, 2021 Edition* Yu (tourism and hospitality management, George Washington University) examines the social, cultural, political, and economic environment within which international hospitality operations compete. He covers a broad range of policy issues in operating hotels and restaurants in foreign countries, including development strategies and organizational structures. He also discusses managerial functions, such as accounting, finance, tax, law, marketing, and human resources. The book is intended for both students and managers. *Corporate Counsel, Fall 2020 Edition remains the only comprehensive source for information on the corporate law departments and practitioners of the companies of the United States and Canada. Profiling over 30,000 attorneys and more than 12,000 companies, it supplies complete, uniform listings compiled through a major research effort, including information on company organization, department structure and hierarchy, and the background and specialties of the attorneys. This newly revised two volume edition is easier to use than ever before and includes five quick-search indexes to simplify your search: Corporations and Organizations Index Geographic Index Attorney Index Law School Alumni Index Nonprofit Organizations Index Former 2016 -2017 Edition: ISBN 9781454871798 Former 2015 - 2016 Edition: ISBN 9781454856535 Former 2014 - 2015 Edition: ISBN 9781454843474 Former 2013 -2014 Edition: ISBN #9781454825913 Former 2012 -2013 Edition: ISBN #9781454809593 Former 2017-2018 Edition: ISBN #9781454884460 Former 2018 Mid-Year Edition: ISBN #9781454889250 Former 2019 Edition ISBN #9781543803488 Former 2020 Edition: ISBN #9781543810295* *Corporate Legal Compliance Handbook, Third Edition, provides the knowledge*

*necessary to implement or enhance a compliance program in a specific company, or in a client's company. The book focuses not only on doing what is legal or what is right--the two are both important but not always the same--but also on how to make a compliance program actually work. The book is organized in a sequence that follows how to approach a compliance program. It gives the compliance officer, consultant, or attorney a good grounding in the basics of compliance law. This includes such things as the rules about corporate and individual liability, an understanding of the basics of the key laws that impact companies, and the workings of the U.S. Sentencing Guidelines. Successful programs also require an understanding of educational techniques, good communication skills, and the use of computer tools. The effective compliance program also takes into account how to deliver messages using a variety of media to reach employees in different locations, of different ages or education, who speak different languages. Note: Online subscriptions are for three-month periods. Organizing Corporate and Other Business Enterprises is a one-volume treatise detailing the various aspects of setting up small business enterprises. Among the business entities*

*discussed are individual proprietorships, general and limited partnerships, closely held corporations, not-for-profit corporations, and limited liability companies. Tax, financing, and management considerations are reviewed. The publication covers much more than the title indicates--it deals not just with organizing business enterprises but also with selected, tangential problem areas--e.g., fiduciary obligations of officers and directors, managing risk, employee benefits, etc. This publication is a practice guide to legal and tax factors to be considered in selecting a form of business organization. It is intended for the attorney who is advising proposed or existing small businesses. Organizing Corporate and Other Business Enterprises provides assistance from the inception of an enterprise through the death of the owners or the termination of the enterprise. Coverage includes: strong federal tax analysis, which is especially important for choice of entity classification, including S corporations; corporate domicile; promoter's rights; and initial capitalization. • Updated annually. • First published in 1949. • Revised Sixth Edition published in 1998. Since its publication in 1998, this indispensable text has been the only*

*systematic examination of corporate renewal, offering a rational approach for dealing with financially distressed companies. It contains the first logical and orderly discussion of a number of modern business issues including outsourcing, turnaround management, layoffs, quality management, and reengineering. Now in its second edition, Harlan D. Platt has revised, updated, and expanded the text to include a new chapter on bankruptcy law, a profile of the turnaround manager, and an overview of the typical turnaround engagement. As the first edition did, this new Principles of Corporate Renewal cuts to the heart of the patterns, procedures, and pitfalls of bringing a corporation back to life and health. Harlan D. Platt is Professor of Finance, Northeastern University. Comprehensive and practical, BUSINESS: ITS LEGAL, ETHICAL, AND GLOBAL ENVIRONMENT, 11E emphasizes real-world applications and encourages critical-thinking skills. While exploring the intersection of law, business strategy, and ethics, readers apply the book's concepts to more than 200 real-world situations and a wealth of learning features. The approach is designed to further heighten readers' own sense of morality. BUSINESS: ITS LEGAL, ETHICAL, AND GLOBAL*

*ENVIRONMENT, 11E effectively illustrates how law and ethics apply to issues in the workplace and serves as an excellent resource for future business managers. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. The Regulation of Corporate Disclosure is a one-volume treatise on the disclosure regime in place under the Federal securities laws. The treatise addresses the formal disclosure process (periodic reports, MD&A, Regulation FD), the informal disclosure process (press releases, social media, discussions with analysts), and the application of the antifraud provisions to these communications. The treatise includes chapters on scienter and materiality, and also addresses communications with and disclosure obligations to shareholders. The Fourth Edition has been significantly revised and, among other topics, includes coverage of: The duties and responsibilities of corporate officials relating to the disclosure process The most recent cases addressing disclosure issues, including decisions by the Supreme Court on topics such as the application of the antifraud provisions to beliefs and opinions Pronouncements by the U.S. Securities and Exchange Commission on*

disclosure issues, including consideration of the SEC's efforts to improve disclosure effectiveness  
The developing need to consider disclosure of public interest matters, including the effects of climate change on a company's business  
The disclosure requirements applicable to the proxy process, including the system for uncovering the identity of street name owners  
State disclosure obligations of the board of directors under its fiduciary obligations to shareholders.

Summary  
The TOGAF 9 certification program is a knowledge-based certification program. It has two levels, leading to certification for TOGAF 9 Foundation and TOGAF 9 Certified, respectively. The purpose of certification to TOGAF 9 Certified is to provide validation that, in addition to the knowledge and comprehension of TOGAF 9 Foundation level, the Candidate is able to analyze and apply this knowledge. The learning objectives at this level therefore focus on application and analysis in addition to knowledge and comprehension. This Study Guide supports students in preparation for the TOGAF 9 Part 2 Examination, leading to TOGAF 9 Certified. This third edition contains minor updates to remove references to the TOGAF 8-9 Advanced Bridge Examination<sup>1</sup> and also adds four bonus practice

examination questions to Appendix B. It gives an overview of every learning objective for the TOGAF 9 Certified Syllabus beyond the Foundation level. If you are a developer with experience in C# and are just getting into mobile development, this is the book for you. If you have experience with desktop applications or the Web, this book will give you a head start on cross-platform development. This 230+ page study looks at trends among corporate and other business libraries, such as those of MBA programs or trade associations. The report gives data on trends in spending, materials purchasing, employment, virtual library development, technology acquisitions, evolving role of the corporate librarian, use of internet resources and many other issues of interest to corporate and business librarians. Data is broken out for corporate and non-corporate business libraries, and also by library size and focus (sci-tech, business, etc.). For corporate libraries, the study presents per employee spending data on a range of library materials and services. Ebook: *Fundamentals of Corporate Finance, Middle East Edition* This book *Corporate Leadership from Chanakya* is an effort made to appreciate the scholarly contribution of Chanakya and setup a

*bridge between ancient Indian leadership thoughts in the modern context. His views on various management functions are so exhaustive that we find no reason for doubting their credibility. The principles and practices that we learn at leading B-schools today were already being taught by him. These concepts are very relevant to our present context and can solve many current problems. Readers not only learn various leadership attributes from this book, but they would also be able to develop a leader in them. The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts. BPP Learning Media is*

*an ACCA Approved Content Provider. Our partnership with ACCA means that our Study Texts, Practice & Revision Kits and iPass (for CBE papers only) are subject to a thorough ACCA examining team review. Our suite of study tools will provide you with all the accurate and up-to-date material you need for exam success. A comprehensive approach to renewing troubled companies Readers gain a strong understanding of the importance of business ethics, sustainability, and stakeholder management from a strong managerial perspective with Carroll, Brown and Buchholtz's BUSINESS AND SOCIETY: ETHICS, SUSTAINABILITY, AND STAKEHOLDER MANAGEMENT, 10E. Readers see, first-hand, how the most successful business decision makers are able to balance and protect the interests of various stakeholders, including investors, employees, consumers, the community, and the environment. They review the importance of business decision making particularly now, as businesses recover from a perilous financial period. Readers are able to examine in detail the social, legal, political, and ethical responsibilities of a business to all external and internal groups that have a stake, or interest, in that business. *within the product description or the product text may not be available in the ebook version. The fifth edition of Business Ethics addresses current, intriguing, often complex issues in corporate morality through 53 readings and 30 pertinent case studies. Now significantly updated, it includes new leading articles, related current cases, and mini-cases based on MBA student dilemmas. Addresses a broad range of the most current, intriguing, often complex issues and cases in corporate morality Provides impartial, point-counterpoint presentations of different perspectives on the most important and highly contended issues of business ethics Updated and significant case studies are included to reinforce student learning Now contains mini-cases based on actual MBA student dilemmas Each author has substantial experience in teaching, writing, and conducting research in the field Prior to liberalization, there was little scope for predatory behaviour in the aviation market. However, following deregulation, new entrants sought to compete with entrenched incumbents. Low-cost carriers (LCCs) gained significant market share, which in turn provoked many different kinds of defensive response. Having put pressure on established carriers, low-cost airlines are*

*themselves feeling the pressure of competition from new operators. While it is normal and natural for airlines to react to competition - modifying their services, the ways in which they offer them and their prices - when does aggressive commercial behaviour go too far and become predation? This book considers what exactly is meant by 'predation' in the aviation environment, and explores the strategies LCCs adopt in order to gain market share, as well as the strategies of the established airlines in response to competition from new entrants to the market. It also addresses the key question of what competition policy should do to ensure intensive competition. Competition versus Predation in Aviation Markets brings together contributions from around the world, from airlines, government agencies, leading academics and consultants, providing a wealth of perspectives on a business practice crucial to airline survival. IT Manager's Handbook: The Business Edition is a MUST-HAVE guide for the advancing technology professional who is looking to move up into a supervisory role, and is ideal for newly-promoted IT managers who needs to quickly understand their positions. It uses IT-related examples to discuss business topics*

*and recognizes the ever-changing and growing demands of IT in today's world as well as how these demands impact those who work in the field. Specific attention is paid to the latest issues, including the challenges of dealing with a mobile and virtual workforce, managing Gen-X/Yers, and running an IT organization in a troubled economy. Rich with external references and written in easy-to-read sections, IT Manager's Handbook: The Business Edition is the definitive manual to managing an IT department in today's corporate environment. Focuses on Web 2.0 ideas and how they impact and play into today's organizations, so you can keep up on social networking, YouTube, web conferencing, instant messaging, Twitter, RSS Feeds, and other collaboration tools. Provides strategies on how to get employees to focus in the 24/7 data world. Discusses key IT topics in 'layman's terms' for business personnel who need to understand IT topics. Understanding Business has long been the market leader because we listen to instructors and students. With this eleventh edition we are proud to offer a platinum experience, that:*

Choose a platinum experience. Choose Understanding Business. Corporate Finance and the Securities Laws has been winning over practitioners with its clear "how to do it" approach ever since its publication in 1990. This acclaimed guide is now completely updated in this Sixth Edition to help you meet the challenges of raising capital in today's*

*increasingly regulated marketplace. Written in plain English by two top experts in the field - each with literally hundreds of successful deals under his belt, Corporate Finance and the Securities Laws is the "go to" resource which explains the mechanics of corporate finance together with the statutes that govern each type of deal. You'll receive expert corporate finance analysis, procedural guidance, and practical securities law pointers every step of the way to help you Structure all types of corporate finance deals - from public, private, and offshore offerings to corporate debt restructurings, commercial paper programs, raising capital, and asset-based securities transactions Root out problems before corporate finance deals are put in motion, with heads-up input on securities law prohibited practices, potential liabilities, conflicts of interest, due diligence concerns, and other red-flag issues Shepherd transactions through the corporate finance regulatory process with a clear understanding of applicable statutes and their implications in real-life situations Know what to do when securities law problems crop up - and find clear answers to the countless questions that develop in the course of a corporate finance deal Close deals, raising capital in a timely manner*

*and work shoulder to shoulder with clients to accomplish your corporate finance objectives In the fast changing economic environment of today, companies seek corporate restructuring not just to stay afloat amidst cut-throat competition, but also to increase their competitive edge over others. Thus, the significance of mergers and acquisitions can never be overemphasized in the corporate world. Mergers, Acquisitions and Corporate Restructuring aims to give its readers a concise yet comprehensive coverage of the subject from all the angles - strategic, legal, accounting, taxation, fund raising and valuation—a treatment which no other Indian book in the market has accomplished so far. The book not only caters to the syllabi of MBA students of most universities, but also meets the needs of CA, CS and ICWA students. Given its holistic approach in the discussion of various issues, both students and practitioners would find this book of immense practical utility. Key Features • Analyses all relevant Indian laws, regulations and accounting standards • Includes multiple interpretations of many provisions • Comprises over 60 numerical or situational illustrations to explain difficult concepts and legal provisions • Interprets and*

*explains 4 comprehensive cases and 9 mini cases from the Indian corporate history and current affairs to enhance understanding • Contains latest amendments in regulations, laws, rules and guidelines as on 15 November 2012 New in This Edition • Thoroughly revised and updated • Chapter on new takeover regulations comparing the provisions with the old takeover regulations and giving historical perspective • Chapter on Competition Law and M&A Praise for the previous edition: "This fun-to-read source will add spice for economics and business classes..."—American Reference Books Annual "...worthy of inclusion in reference collections of public, academic, and high-school libraries. Its content is wide-ranging and its entries provide interesting reading."—Booklist "A concise introduction to American inventors and entrepreneurs, recommended for academic and public libraries."—Choice American Inventors, Entrepreneurs, and Business Visionaries, Revised Edition profiles more than 300 important Americans from colonial times to the present. Featuring such inventors and entrepreneurs as Thomas Edison and Madame C. J. Walker, this revised resource provides in-depth information on robber barons and their counterparts as well as*

visionaries such as Bill Gates. Coverage includes: Jeffrey Bezos Michael Bloomberg Sergey Brin and Larry Page Michael Dell Steve Jobs Estée Lauder T. Boone Pickens Russell Simmons Oprah Winfrey Mark Zuckerberg. This book is perfect for IT administrators who are looking to enhance their skills on system and asset management. A fair understanding of the core elements and applications related to SCCM would be helpful. In the new edition, the book has been revised and rearranged sequentially as per the subject content. The dreaded disease COVID-19 has had its serious impact across the international bodies and impacted the economies of the world. Objectives of corporate governance and corporations' old form/ways of working have changed drastically, since maximizing profits for shareholders is no longer an acceptable proposition. The focus has now shifted to societal needs and Directors are made more responsible to take care of the organization. This has been discussed in Chapter 12. Some new chapters are added to underline the importance of Business Ethics, CSR, and Whistleblowing in Corporate Governance. The text deals with models, theories/ approaches in ethics, governance, and CSR. Different types of prominent corporate

scams across the globe have been discussed as examples. The live case studies, as discussed in the 3rd edition, have been retained in totality. The evolving definition of corporate governance has been duly discussed in Chapter 10 and 11. Provisions under the Indian Company Law 2013 have been discussed in detail, especially the mandatory provisions for controlling corruption/malpractices in companies. The author has tried to relate importance of the ethical principles and CSR as pillars of good corporate governance. In the changing times corporate governance has become a skilled job for the Directors and they are required to equip themselves with skills, knowledge, and expertise for managing different issues on governance. In nutshell, the new additions make the text richer and updated. Attempt has been made for covering different syllabuses of MBA programmes offered by B-Schools in the country on this subject. **NEW TO THE EDITION** • Sequentially revised and rearranged as per the subject content, which makes it very competitive in the market. • Introduces two new subjects: Ethics and CSR. • Underlines the importance of Business Ethics, CSR, and Whistleblowing in Corporate Governance. • Discusses different types of

*prominent corporate scams across the globe and the live case studies. • Principles on good corporate governance for implementation during COVID-19 regime have been covered in a separate chapter. • Role of company Directors has been highlighted in the changing times. • Includes mandatory provisions under the Indian Companies Act 2013 (updated up to 2020) for compliance in Corporate Governance. TARGET AUDIENCE The students pursuing MBA, MSW, and M.Com In an economy where unemployment rates are at an all-time high, advice on how to survive in the working world can be extremely valuable. In their new book, Mr. and Mrs. Smith's Employment Survival Guide (Business Edition), co-authors Odie and Daval Smith offer readers practical insight into how to effectively navigate unemployment and how to better develop an existing career. Their book includes a broad spectrum of career-related advice, including tips on leaving your current job if necessary, how to get through unemployment with enriching activities, job-search tips, resume-building advice, unemployment benefits and information, essential skills to build or improve upon and interviewing pointers. With 18 years of experience with both the employment highs and*

unemployment lows, the Smiths impart their knowledge and professional guidance, assisting every reader in positioning themselves toward effective employment. This Global Edition has been developed specifically to meet the needs of international finance students. It continues to offer substantial coverage of the recession and liquidity crisis that engulfed the global economies in the last few years and pays special attention to the banking sector and the critical need for funding that most businesses face. The emphasis on analytical approaches to international financial problems is intended to make the content more relevant and improve learning outcomes for the international student. Corporate Finance Foundations' thorough treatment of concepts and application combines with a complete digital solution to help your students achieve higher outcomes in the course. This book examines the effectiveness of corporate takeovers. The dominant ideologies of corporate takeovers include synergistic gains and its managerial disciplinary role. These dominant themes are being undermined by the challenges of costly acquisitions. The UK Takeover Code is a regulatory response to the role of managers of target companies only. Also, the regulatory

*framework for takeovers in the United States is largely focused on target companies. The book demonstrates that managements can influence the role of takeovers, thereby undermining its synergistic and disciplinary values. Presenting an identification and evaluation of the limits of current regulatory and judicial control over the role of management during takeovers in the UK and the US -Delaware, it will identify the relevance of institutional control as an effective mechanism for addressing the challenges of managerial influence over takeover functions. It will also identify how the role of managements can be addressed with the complementary benefit to shareholder and employee interests; thereby challenging the shareholder/ stakeholder primacy debate in corporate law, particularly in relation to takeovers. This book will be essential reading for scholars and students interested in the market for corporate control, corporate law and company law. Introduction to Corporate Finance offers a dynamic, modern and practical approach that illustrates how financial management really works. It features up-to-date content including the impact of the Global Financial Crisis and capital budgeting. Introduction to Corporate Finance is distinguished*

*by the cash-flow 'arc' of the narrative, which gives a practical learning path, and the use of real options, which is a practical analysis tool that is used in corporate finance. Students are thus provided with the most engaging and contemporary learning path of any Australian text, giving them realistic preparation for a career in finance. The strong five part framework of the book is supported by integrated online elements and easy-to-read text. CSC brings you Texas Laws Governing Business Entities Annotated, 2021 Edition. This comprehensive deskbook is the collection of up-to-date Texas corporate law statutes and forms attorneys need to conduct research more effectively, complete transactions more efficiently and advise clients with confidence FEATURES: The full Texas Business Organizations Code and related sections updated through the 2021 Legislative Session (including special sessions) Over 100 newly enacted or amended sections, including new emergency procedures for corporations, new requirements for certificates of formation, and new laws establishing the use of ""registered series"" in domestic LLCs Legislative Summaries highlight the most important statutory changes, while Blackline Amendment notes following each*

*amended section illustrate exactly what text was added and deleted Annotated with the latest case law More than 100 case notes added since the previous edition Six full-text cases covering recent legal developments regarding service of process, alter ego doctrine, minority shareholder rights, share redemption, no-obligation clauses and dissolution Special Commentary by noted Texas attorney Byron Egan of Jackson Walker L.L.P. exploring the ramifications of the recent Texas Supreme Court decision Chalker Energy Partners III, LLC. v. *Compendium, 2018 Edition, ISBN: 9781543800579* The ninth edition of Keay's *Insolvency* has come at a time when major insolvency reforms, foreshadowed in previous editions, have just been announced. While none of these has become law, the authors have introduced readers to the proposed changes and the considerable impact they will have on the operation of the law and the administration of insolvencies. These include the introduction of a safe harbour defence to insolvent trading, allowing more emphasis on informal restructuring, restrictions on counter-parties terminating contracts under "ipso facto" clauses, and allowing small companies to go through a streamlined liquidation process. The timing of these reforms, and their significance, is such that those studying and practicing in insolvency need to have an understanding of what is coming, which Keay will provide, even if by way of brief comment at various points throughout. Those reforms have confirmed the authors' continued and increased focus on corporate restructuring law and practice, including outside the context of formal insolvency, an on-going trend in Australia, and internationally. This edition also has new commentary on the roles and duties of lawyers

*acting in insolvency. PPS law and practice and further embedded in the commentary, along with cross-border insolvency, tax, banking and other related laws. The text has necessarily been updated with commentary on new and important case law, with an emphasis on decisions from the High Court and Courts of Appeals, or on decisions that add new perspectives on the law and practice. The authors have given greater emphasis to legal and insolvency practice - with references throughout to ASIC and AFSA regulatory guidance, Court rules, the ARITA Code, tax issues and forms. Useful tables have been added to explain the details in the text and each chapter now has a summary table of references to the particular parts of the legislation, regulatory guidance, and court rules. The book also cross-references to cases in the new case book, *Insolvency Law - Commentary and Materials*. Commentary on the statistical trends available from the October 2015 annual reports of the regulators, and other data, is explained, in particular in as far as they may support the law reform trends. The final chapter in the last edition of the text critically assessed Australia's insolvency regime. The authors stand by that commentary and have necessarily updated and*

*added to it in light of the law reform announcements, remaining of the view that while the laws work well enough, the environment local and international environment in which they operate has significantly changed such that, while the reforms are welcomed, a wholesale review of the regime in Australia is still needed. The authors are pleased to see the recognition given to Australian insolvency law and practice through the election of Mr Mark Robinson of PPB Advisory as President of INSOL International in 2015, and of Professor Rosalind Mason, of Queensland University of Technology (QUT), as Chair of INSOL Academics. Both have contributed enormously to the development of the practice and law of insolvency both in Australia and internationally. We are very pleased to have Mark Robinson contribute a foreword to this edition of the book. Michael Murray remains a visiting fellow at the Queensland University of Technology, and is now a Fellow of the Australian Academy of Law, and continues to work in and contribute to the development and thinking of insolvency and restructuring law, practice and policy. Jason Harris is now an Associate Professor in Law at the University of Technology, Sydney, and continues to teach and write extensively in the area, in*

*particular in corporate law and restructuring. Each brings his respective knowledge, experience and thoughts to this important area of law and practice.*
